Reason for	I've taught in several of our Test Preparation workshops, have		

2010 - PMI CVC Board of Directors Nomination Form

Nomination: <i>(maximum of 100 words)</i>	received good feedback, and enjoy this activity. I have experience in certification test development and project management - and am an IBM certified Learning Solutions Architect – which means I design learning solutions for based on client requirements. I’m interested in contributing more of my time to helping others earn their PMP. I would like to serve as your VP of Certification – and I will continue the great tradition and high standards already in place – and looking forward to the opportunity to explore ways of making these award-winning sessions even better.
